

**DON'T APPEAL JUSTICE!
MAINTAIN COMMUNITY OVERSIGHT!
January 28, 2017**

Portland City Council has appealed an order by federal Judge Michael Simon to appear at an extra Conference Hearing regarding the US Dept of Justice Settlement Agreement. They also told the remaining members of the Community Oversight Advisory Board, which assesses implementation of the Agreement, that their terms will end on January 31-- even though the Agreement allows them to serve a third year.

Call City Council! Demand that they:

- drop the appeal of Judge Simon's order for a new Status Conference
- extend the existing COAB members' terms until the new Board is seated.
